

## **Derek Mott**

**Director**

**Mott Electric GP.**

Derek is Operations Manager for Mott Electric, a trusted electrical contractor in the Lower Mainland since 1930.

Elected in 2019, Derek is new to the Board, but Mott is one of ECABC's longest standing members, having been a part of the Association since 1952.

Derek has worked in all of Mott's divisions while in the field, starting as an apprentice, all the way into a chargehand role. He joined the Vancouver office in 2016 as a Project Manager/Estimator and now works out of the head office in Burnaby as the Operations Manager.

Derek greatly values the resources and connections provided through being a member of ECABC and continues to promote the industry.
