

# Andrew Fettback

**Director**

**Fettback & Heesterman Energy Ltd.**

Andrew Fettback is a highly accomplished professional with over 20 years of experience in the electrical construction industry. His impressive track record of success and outstanding leadership skills earned him the position of Vice President at one of the largest electrical companies in Western Canada.

Having begun his career in 2003 as a pre-apprentice, Andrew has risen through the ranks and has played a pivotal role in the successful completion of several large-scale projects. These include the Saskatoon Civic Operations Centre, the Molson Coors Fraser Valley Brewery, and The Post -a notable redevelopment project of the heritage Canada Post building in downtown Vancouver.

Andrew's extensive knowledge and expertise have enabled him to oversee the Commercial & Industrial, TI divisions, as well as Alberta operations. His exceptional performance in these roles has provided him with the requisite experience and skills to cofound his own company, Fettback & Heesterman.

As principal at Fettback & Heesterman, Andrew leverages his vast experience and expertise to focus on operations, pre-construction, and estimating. His exceptional leadership qualities and unwavering commitment to excellence make him a highly sought-after professional in the industry.
