

CECA Publications: An ECABC Member Benefit

This document is a reference guide listing publications available for sale and/or download from the Canadian Electrical Contractors Association (CECA) [website](#).^{*} The publications are sorted into three catalogues: the [NECA/CECA Publications Catalogue](#) (pages 1-2), the [Electri International Reports store](#) (pages 3-6), and the [Canadian Electrical Installation Standards \(CEIS\) store](#) (pages 7-8).

The following pages detail the publications available in each catalogue, which may be accessed by clicking on their respective catalogue heading. If there is a title in the listings below that you do not see online, please contact CECA Operations Manager, Gregg Whitty, at gxwhitty@ceca.org as a number of documents are available upon request only. Free publications are highlighted in green for ease of reference.

In order to access the free downloads and receive Member Pricing for paid publications, users must log-in using their CECA log-in and password. If you are an ECABC member and are not sure of your log-in or password, please email Gregg at gxwhitty@ceca.org and he will assist in you in setting up your account.

^{}Please note that all publications listed are as per May 9th, 2022, and are subject to change.*
