

Innovation Award Evaluation Form

Company Name:

Company Contact/Representative:

Contact/Representative Email:

Project Name:

Project Owner:

Estimated Contract Value:

Contract Type:

General Project Overview:

Certifications Achieved (i.e. LEED):

Criteria/Questions (each will be assigned a max score):

- Alignment with the 2024 theme of Green Infrastructure: Describe the innovation and why it was the best fit for the project. How was the concept for the innovation generated? **(10 points)**

- What is unique about this innovation? **(15 points)**

-
- Provide an explanation of how the innovation supported green infrastructure and enhanced energy efficiency or reduced greenhouse gas emissions, compared to the standard means of executing a similar project. Where applicable, please supply documentation to support the projected net benefits. **(15 points)**

 - What is the cost efficiency of this innovation? How does it compare to the standard means of executing a similar project, and is this innovation repeatable on future projects? **(15 points)**

 - Safety Performance: What was the overall safety performance of your team on this project, including number of person-hours lost due to injury? **(5 points)**

-
- Stakeholder Cooperation: How did you work with other project stakeholders (owner, GC, design consultants, etc.) to execute the innovation? **(10 points)**

 - What were the main challenges and solutions to executing the innovation? **(10 points)**

 - Company-wide environmental initiatives: Being a green technology innovator starts with your operations. Describe any initiative your company has taken to reduce your environmental impact (i.e. GHG reductions, recycling programs, etc.). **(20 points)**

Other Requirements:

- 2 third-party testimonials associated with the project (owner/GC/supplier/etc.)
Please attach separately.
- 3-5 high resolution images of the project
Please attach separately.
- **Please note: short-listed finalists may be asked to provide a presentation or complete an interview with the Judging Panel.**
