

2026 MEMBERSHIP FEES

ECABC Members fall under one of three categories:

- Union Contractor Member
- Open Shop Member (a company that is not part of a Union)
- Associate Member (e.g. distributors, manufacturers, suppliers, agents)

Union Contractor Member

Per the Inside Electrical Workers collective agreement, as a signatory contractor to IBEW Local 213, 230, 993 and 1003, \$0.17 per person-hour is remitted to ECABC on a monthly basis. Through this support, your dues for provincial membership are effectively paid; all that is required is an application.*

Line Utility Contractors (IBEW Local 258) also contribute \$0.17 per hour remitted directly to ECABC.

Chapter Fees are separate, and **are not covered by the collective agreement.*
